

# GRIFAID

## Family Filter

### WATER FILTRATION

The Grifaid Family Filter is a water filtration device that can be attached to many types of buckets. Powerful yet simple, it will provide families with instant access to clean drinking water for up to five years.

## KEY FEATURES

- 💧 **Powerful Filtration** — 0.01 micron ultrafiltration membrane protects against waterborne contaminants
- 💧 **Globally Certified** — Independently certified by the World Health Organization
- 💧 **Fast Flow** — The filter has a manual flow rate of 2 liters per minute, allowing for fast relief from dehydration
- 💧 **Long Lasting** — Capable of an operating life of up to 5 years without maintenance
- 💧 **Cost Efficient** — 1 liter of drinking water costs just pennies with the Grifaid Family Filter
- 💧 **Seamless Installation** — Designed specifically to fit on most water-carrying vessels for easy filtering
- 💧 **Little to No Maintenance** — Device has a built-in backflushing and purging system

# BENEFITS

- 💧 **Tested and Approved** — The Grifaid Family Filter is trial tested prior to packaging, ensuring top quality of each product manufactured. Because of this, the unit may arrive wet or with light remnants of water within the packaging.
- 💧 **Provides Peace of Mind** — Know that you and your family will have access to clean drinking water every day for years. Feel at ease from the worry of contracting harmful waterborne contaminants.

Our mission at Business Connect is to provide citizens living in the global south with affordable and easy access to clean water, through the creation of a sustainable, local business model. We are headquartered in Grand Rapids, Michigan and have a global network of distributors that impact more than 70 countries. Through every purchase, you are supporting entrepreneurs in the global south to build their own businesses, help themselves out of poverty, and provide access to clean water in their community.
