

DELTA

Emergency Water Filter

WATER FILTRATION

The Delta Emergency Water Filter is a compact yet powerful filtration system designed for disaster relief and emergency preparedness. Utilizing advanced nanofiber technology, it removes harmful contaminants from water, providing safe drinking water in any crisis situation.

KEY FEATURES

- 💧 **Highly Effective** — Protects against bacteria, viruses, parasites, heavy metals, and industrial chemicals
- 💧 **Globally Certified** — Meets NSF Standards 42, 53, 401, P231
- 💧 **Simple to Use**—Just snap the funnel pieces together and fill with water
- 💧 **Fast Flow**—Provides safe drinking water in minutes
- 💧 **Long Lasting** — Easy to store until needed, the Delta Filter does not expire
- 💧 **Lightweight** — Weighs less than 4 ounces and can fit in your pocket
- 💧 **Cost Efficient** — Lower price per liter than water purification tablets
- 💧 **Improves Taste** — Activated carbon works to remove any poor taste in the water

BENEFITS

- 💧 **Perfect for Every Adventure** — The Delta Filter is your ideal outdoor companion. Whether you're hiking in the woods, camping on a mountain range, or traveling abroad, this filter will ensure your safety in any situation.
- 💧 **Protection You Can Rely On** — Standard filters only remove biological contaminants. The Delta Filter goes a step beyond bacteria and viruses by also filtering heavy metals, pesticides, pharmaceuticals, and chemicals. No expiration date means you will always be prepared in any situation.

Our mission at Business Connect is to provide citizens living in the global south with affordable and easy access to clean water, through the creation of a sustainable, local business model. We are headquartered in Grand Rapids, Michigan and have a global network of distributors that impact more than 70 countries. Through every purchase, you are supporting entrepreneurs in the global south to build their own businesses, help themselves out of poverty, and provide access to clean water in their community.
