All-In-One Filter

WATER Filtration

The VFX All-in-One Water Filter is your ultimate solution for clean, safe water. With practical VF100 filtration technology, this compact and durable system is designed for outdoor adventures, emergencies, and everyday hydration.

KEY FEATURES

- 💧 **Powerful Filtration** — 0.1 micron absolute filter protects against bacteria, parasites, and protozoan cysts
- 💧 **Globally Certified** — Independently tested and certified by the WHO
- 💧 **Simple to Use** — Quick setup—just attach to a tap or included hydration bladder for clean water in minutes
- 💧 **Fast Flow** — Filters up to 1 liter per minute, perfect for staying hydrated on the go
- 💧 **Long Lasting** — Durable design with a lifespan of thousands of liters with proper care
- 💧 **Lightweight** — Compact and easy to carry, ideal for backpacking and camping
- 💧 **Durable** — Tough construction designed to withstand rough outdoor conditions
- 💧 **Cost Efficient** — Affordable filtration without compromising quality or durability

BENEFITS

-  **Quick & Portable** — Filter up to 1 liter per minute, perfect for backpacking, camping, and emergencies.
-  **Reliable Hydration** — A dependable choice for clean water during any adventure or crisis.

Our mission at Business Connect is to provide citizens living in the global south with affordable and easy access to clean water, through the creation of a sustainable, local business model. We are headquartered in Grand Rapids, Michigan and have a global network of distributors that impact more than 70 countries. Through every purchase, you are supporting entrepreneurs in the global south to build their own businesses, help themselves out of poverty, and provide access to clean water in their community.
