

# AQUAGENX

## Define Test (CBT EC+TC)

### WATER TESTING

The Aquagenx Define Water Test (*E. coli* & Total Coliform - MPN - CBT) detects both *E. coli* and Total Coliform bacteria in a 100 mL sample. An easy color chart is used to determine Most Probable Number (MPN) test results in a compartment bag. Give yourself peace of mind with this easy-to-use water test today!

## KEY FEATURES

- 💧 **Highly Effective** — Lab-grade most probable number testing of *E. coli* and Total Coliform
- 💧 **Globally Certified** — Meets WHO guidelines for drinking water quality
- 💧 **Simple to Use** — Collect the sample, add growth medium powder, place into different liquid sizes in compartment bag, wait, and score results
- 💧 **Fast Treatment** — Entire process takes 20-48 hours without having to send samples to a lab
- 💧 **Long Lasting** — Three year shelf life from date of manufacture
- 💧 **Easy to Read** — Results supported on Akvo and mWater mobile apps
- 💧 **Temperature Controlled** — Works at variable temperatures, constant temperature control not required
- 💧 **No Lab Required** — No electricity, lab, cold chain or equipment required

## BENEFITS

- 💧 **No Electricity Required** — No electricity, lab, cold chain or equipment is required to run this test, making it perfect for rural communities.
- 💧 **Fast Acting** — The entire process takes 20-48 hours without having to send samples off-site, meaning you can have peace of mind about your drinking water faster.

### What's Included **IN THE KIT?** Aquagenx Define Water Test Kit

Our mission at Business Connect is to provide citizens living in the global south with affordable and easy access to clean water, through the creation of a sustainable, local business model. We are headquartered in Grand Rapids, Michigan and have a global network of distributors that impact more than 70 countries. Through every purchase, you are supporting entrepreneurs in the global south to build their own businesses, help themselves out of poverty, and provide access to clean water in their community.
