## D-Prep Blue Water Bag

### WATER STORAGE

The D-Prep ultra-portable emergency water bag is your first line of defense in disaster scenarios. Designed for maximum portability, this 10L BPA-free water bag is compact when empty, lightweight when full, and made from durable, sustainable materials built to withstand the harshest environments. Printed instructions on the side of the bag ensure quick, confident setup—no guesswork required.

## KEY FEATURES

- 💧 **Disaster-Ready** — Built for emergencies where space, weight, and speed matter
- 💧 **Instructional** — Printed usage steps on the side of the bag for fast deployment
- 💧 **Safe Materials** — Made from BPA-free plastic for safe, long-term use
- 💧 **Eco-Conscious** — D-Prep supports long-term reusability
- 💧 **Multi-Use** — Perfect for water collection, storage, or gravity-fed distribution
- 💧 **Compact & Collapsible** — Folds flat when empty to fit in emergency kits and go-bags
- 💧 **Durable** — Reinforced seams and puncture-resistant design for extreme conditions
- 💧 **Upgrade-Ready** — Compatible with optional filtration models for added versatility

## BENEFITS

- 💧 **Emergency Kits Made Smarter** —From hurricanes and wildfires to infrastructure outages, disasters can interrupt access to safe water for days. The D-Prep offers collapsible water storage that fits easily into bug-out bags, vehicles, or home emergency bins—no electricity, pumps, or tools required.
- 💧 **Intuitive, No-Fuss Setup** — When every second matters, printed instructions on the side of the bag help ensure fast and accurate deployment, even under pressure. Whether for family preparedness or first responders, it's a no-hassle water container ready for rapid response.
