## D-Prep Gray Water Bag

### WATER STORAGE

The D-Prep ultra-portable emergency water bag is your first line of defense in disaster scenarios. Designed for maximum portability, this 10L water bag is compact when empty, lightweight when full, and made from durable materials built to withstand the harshest environments.

## KEY FEATURES

- 💧 **Disaster-Ready** — Designed for emergencies when space and weight matter most
- 💧 **Multi-Use** — Ideal for water collection, storage, or distribution
- 💧 **Compact & Portable** — Folds flat when empty for easy storage in emergency kits
- 💧 **Fill Line** — On the side of the D-Prep is a fill-line indicator for ease
- 💧 **Durable** — Rugged BPA-free plastic materials prevent tearing or puncture under tough conditions
- 💧 **Efficient** — Works seamlessly with gravity-fed setups—no electricity required
- 💧 **Upgradable** — Compatible with the Uzima UZ-1, a WHO-certified Uzima water filter

## BENEFITS

- Essential for Crisis Response** — Water access is often compromised after earthquakes, floods, or hurricanes. The D-Prep bag is engineered to support you and your loved ones with a lightweight, flexible water solution during the most critical times.
- Ultra-Portable Protection** — Traditional water containers are too bulky for disaster kits. The D-Prep folds flat and fits into any emergency pack, making it ideal for mobile disaster teams, first responders, or personal preparedness.

Our mission at Business Connect is to provide citizens living in the global south with affordable and easy access to clean water, through the creation of a sustainable, local business model. We are headquartered in Grand Rapids, Michigan and have a global network of distributors that impact more than 70 countries. Through every purchase, you are supporting entrepreneurs in the global south to build their own businesses, help themselves out of poverty, and provide access to clean water in their community.
